## LOCAL MUSIC CLUB CELEBRATES ITS FIRST BIRTHDAY

### Delightful Program Is Given Before Big Crowd; Growth of Organization Told

"A brilliant success" is the proper description of the first birthday anniversary celebration of the organization of the Glendale Music club, which was held last night in the Chamber of Commerce auditorium in the presence of more than 550 members, and which was in charge of Mrs. Mattison B. Jones, president. The success was not confined only to the delightful program which was given, but also to the growth of this musical organization. The senior club now has a membership of 600, the junior auxiliary of 102 and the juvenile auxiliary of 75, making a total membership of 777.

The Glendale Music club was organized February 28, 1921, in the music room of the high school. The charter members of the club who signed at that first meeting were Mrs. Mattison B. Jones, Mrs. L. N. Hagood, Mrs. J. A. Wright, Mrs. Vivian Webb, Mrs. Calvin Whiting, Mrs. Grace E. Jackson, Mrs. Gladys Gibbs Sherman, Mrs. H. R. Gibbs, Mrs. Fern Roberts, Mrs. Chas. A. Parker, Mrs. Eva Cunningham, Mrs. Helen Graham Cole, Mrs. Charles L. Marlenee, Mrs. Catherine Shank, Mrs. A. Lowinsky, Mrs. Nathan Rigdon, Miss Gertrude Champlain and Mrs. Spencer Robinson. Others who were present at that first meeting and later became charter members were Mr. and Mrs. Freeman Kelley, Mrs. Daniel Campbell, Mr. and Mrs. Alexander Mitchell, Miss Lorraine Mitchell, Mrs. E. W. Kinney, Mrs. Dora Gibson, Spencer Robinson and Mrs. Frank Arnold.

**Welcome Is Extended**

Mrs. Jones welcomed the members of the club to the first birthday celebration and thanked them for bringing the birthday presents, the many new members who joined last night. A letter expressing congratulations on the first birthday of the club was received by Mrs. Jones from the California Academy of Music, who also sent a beautiful basket of flowers. Announcement was made of the March concert of the club, which will take place March 3, and at which time Brahm Van Den Berg will be the artist to appear.

The first part of the program was a demonstration of the work done by the juvenile auxiliary at their regular meetings. There was a short business session of the auxiliary, called to order by the little president, Susie Smith, with reading of the minutes by the recording secretary, Rebecca Brant, announcements, report from the treasurer Josephine McLaren, adoption of resolutions and adjournment. The manner in which the little people conducted their meeting was the source of satisfaction to the older folks present. Helen White is the corresponding secretary of the juvenile auxiliary. Miss Susie Smith then introduced in turn the members of the auxiliary who presented the following numbers: Song, "Tuck Me to Sleep in My Old 'Tucky Home," by Meyer Preston Hanning, with Mrs. L. N. Hagood at the piano, and violin obligato by Donald Murray. The splendid voice of this little chap pleased the audience very much and as an encore he sang "My Wild Irish Rose." The next number was equally charming and consisted of a piano solo "Waltzing Doll" (Poldini), by Rebecca Brant. As an encore she played "At Dawning" (Cadman). Helen M. White gave a very delightful whistling solo, accompanied at the piano by Miss Gladys Sharpe, "Springtime of Love" (Moszkowski) and graciously responded with an encore. The splendid expression with which little Helen May Skeen interpreted the piano selection "From an Indian Lodge" (MacDowell), brought forth unrestrained applause. As an encore she played "To a Wild Rose" (MacDowell). The last number of the first part of the program was a "Song of February" by a group of girls from the juvenile auxiliary.

**Illustrated by Music**

Miss Susie Smith, auxiliary president, then turned the meeting over to Mrs. Jones, who introduced Miss Frieda Peycke, composer-interpreter, who presented the following musically illustrated poems: "An Office," "Thanksgiving Guests" (Poem by Lannie Haynes Martin), "James" (Poem by Elizabeth Gordon), on whom strong suspicion lay when the cakes and jam disappeared. "Woes of a Boy," "America for Me" (Poem by Henry Van Dyk), "Chums" (Poem by James W. Foley), "Mah 'Lil Bit Sistah" and "Us Twins" (Poems by Elizabeth Gordon), "Us Twins" (Poem by Elizabeth Gordon). The radiating and cheerful personality of Miss Peycke expressed in these clever poems proved a joy to the large audience, who repeatedly called for encores, to which she responded with a poem by Maude Powell in which the hen and the cow discuss the high cost of living, and also "The Annual Protest," which is heard generally throughout the country in the early part of September, "I Don't Want to Go to School!"

Following the program Mrs. Jones, president, introduced the other officers of the club, Mrs. Catherine Shank, first vice president; Mrs. Spencer Robinson, second vice president; Mrs. Charles Marlenee, corresponding secretary; Mrs. Grace Jack-

## 'Hearty' Banquet Is Given by C. E. at the Presbyterian Church

An unusually enthusiastic crowd of young people assembled to enjoy the "Hearty" banquet given by the Christian Endeavor society last night at the First Presbyterian church, and the evening's program which followed. The heart idea was carried out in the table appointments and courses. Place cards were of red hearts with C. E. in white.

Covers were laid for 130. At the head table were seated Miss Carol Duncan, president of Glendale district union; Glenn Moore, intermediate county superintendent; Vaughn Harlan and Leslie, Luse, also of the intermediate department; Ruth Umstead, intermediate superintendent, and Mary Sharp, vice-president of intermediate C. E. of Los Angeles city union; Mr. Austin, and four members from the Hollywood Christian church.

Miss Carol Duncan, in well chosen words, extended a "hearty" welcome to the visiting members, who were from Glendale, Burbank, Sunland, Eagle Rock and Tejunga. Announcement was made by Miss Ethel Preston of the rally "Our Hearts in Service," to take place Sunday afternoon at the First Presbyterian church. At that service Reverend E. E. Ford will give the closing talk.

In the "four square" campaign, which has been carried on for the past four months, Senior B's of Glendale Presbyterian church won first place in the Glendale district. Their standing in the county will be determined at the Hollywood convention.

The members of the Senior B's put on a clever skit representing various modern household appliances doing household duties while the young ladies spend their time at the C. E. convention. Those taking part in this skit included Miss Agnes Tupper, Miss Mary McDill, Miss Josephine Rettberg, Miss Ethel Campbell, Miss Mildred Cole, Orrin Barnes and Everett Anderson.

Glen Moore, who was toastmaster, called upon members of his party, who responded with a clever Irish play. The visitors from Hollywood led the singing of a number of the new convention songs.

## Baptist Women Hold Meeting and Program

At the February all-day meeting of the Women's Union of the Baptist church, which was held Thursday the program included talks on work among the Indians and Indian songs, etc. The meeting was attended by a splendid crowd of workers and the morning was spent working on quilts and in getting better acquainted. At noon a delicious luncheon was served to sixty members. During the noon hour the topic of the day was introduced in the form of valentines with ideas of the missionary work among the Indians upon them. These were read aloud and proved most interesting. Reverend E. E. Ford at that time told of his work among the Indians.

Mrs. G. H. Rowe, W. C. T. U. chairman, spoke of the work being done in Los Angeles by the W. C. T. U. A little surprise on "Grandma" Bundick of Atherton Villa had been arranged by Mrs. Jennie Doxsee, who presented her with a growing fern as a birthday gift from the members of the R. T. W. class. Mrs. Bundick responded with an expression of appreciation of the many folks who love her. A social hour followed.

A short business session was held in the afternoon. Mrs. C. W. King led in the devotionals. Mrs. King, who is also White Cross chairman, gave a report of work done. Mrs. Piercey, chairman of the calling committee, also reported. Mrs. Rowe also spoke of attending a meeting of the Tropico Presbyterian Japanese Mission board, of which she is a member. March 3 was announced as the United Day of Prayer, in which the Baptist people are to co-operate.

The theme of the afternoon program had been carried out most successfully by Mrs. J. Roger Bentley and the room was decorated with Indian baskets and blankets. Miss Beatrice Doxsee gave a splendid piano interpretation of an Indian march, taking them from their tepees to their place of worship and back again. Mrs. Fannie Christmas spoke of the Indians of New Mexico, Mrs. Peck of the work carried on at Bacone College, and Mrs. Paul Elliott of Sherman Institute of Riverside.

An interesting feature of the program was given by Mrs. F. H. Boynton, who, dressed in full Indian costume, gave the twenty-third psalm in the Indian sign language, and Mrs Paul Elliott sang an Indian solo. In closing Mrs. Ford, who is president of the union, appointed a nominating committee, consisting of Mrs. Roy Kent, Mrs. J. Roger Bentley and Mrs. Marsh.

## Mrs. Frank Matthiesen Is Guest of Honor

Mrs. J. H. Payne of 131 North Everett street and Mrs. Fred Nicolaus entertained at luncheon yesterday afternoon at the home of the former in honor of Mrs. Frank Matthiesen, who is leaving next week for Fresno, where she will reside. The valentine motif was carried out in the decorations throughout the house, and the colors of pink and white were also used in the various luncheon courses. In the afternoon a matinee party in Los Angeles was also enjoyed. The guests included Mrs. Frank Matthiesen, Mrs. S. Warren, Mrs. B. Matthiesen, and the hostesses Mrs. Payne and Mrs. Nicolaus.

## PRACTICAL WORK IN CHRISTIANITY, IS PASTOR'S PLAN

### Dr. W. B. Collins Is Speaker at Brotherhood Meeting Held at Methodist Church

Protestant churches of Glendale should join in establishing a centrally-located rest room as an evidence of practical Christianity, according to Dr. W. B. Collins of 208 East Park avenue, retired Methodist minister, who brought this subject up last night at the monthly dinner of the Brotherhood of the First Methodist church.

"I am certainly thankful to know that there are so many men in this church who are willing to answer a call for something better than living in a sort of half-way living-or-dead way in the church," declared Rev. Collins. There are enough men in this church to keep it on its feet so it will never go limping along. We are getting to a position now where we can do anything that should be done. Whatever is proper to be done, I believe the men of the church will take hold of it. I long to see the day when this church here will be able to do anything that God wants us to do.

"I believe that the people here in Glendale want to be real friendly and want to treat people right if the people want to do the right thing themselves. As far as the church is concerned, we want to have a church with an open door."

**Compliment Catholics**

Rev. Collins complimented the Catholic churches for always being open and available for their communicants.

A five-minute talk was made by City Manager W. H. Reeves on civic affairs. He paid a tribute to members of the G. A. R. present.

"If every one of us would get together on some good proposition just think what we could do," declared Mr. Reeves. He compared Glendale and the Pacific Electric with David and Goliath and stated that the electric line was about ready for a fall.

Mr. Reeves recommended moral support for the council and city administration as long as it continued to do its duty conscientiously and in the best interests of the community.

A short talk was made also by Rev. C. M. Crist. He remarked that a preacher who couldn't do big things

## Mrs. Walter W. Jones Is Hostess at Party

Mrs. Walter W. Jones of 430 Vine street was hostess at a very charming bridge and "500" party at her home yesterday. Decorations of acacia blossoms and Chinese lilies were used throughout the house. The guests included Mrs. C. H. Meadows, Mrs. A. M. Draper, Mrs. G. Hogan, Mrs. A. H. Montgomery, Mrs. R. A. Puffer, Sr., Mrs. R. A. Puffer, Jr., Mrs R. D. Angelica, Mrs. E. P. Hayward, Mrs. G. D. Roach, Mrs. Warren Roberts, Mrs. Manola Hurst, Mrs. Eustace Young, Mrs. G. G. Neil, Mrs. Homer Lockwood, Mrs. Colin Cable, Mrs. W. Hoopes, Mrs. Charles Sanders, Mrs. Worlsley, Mrs. J. F. Hearshaw, Mrs. Chester Kling, Mrs. W. E. Halstead, Mrs. A. Theim, Mrs. Bert Ward, Mrs. C. Aicholz, Mrs. R. C. Horner, Mrs. Calvin Whiting, Mrs. Arthur Dibbern, Mrs. J. A. Apffel, Mrs. B. Holbrook, Mrs. J. A. Endicott, Mrs. R. Ralston, Mrs. G. B. Pratt, Mrs. Winchell of Winnipeg, Canada, Mrs. F. R. Gorman of Arcadia, Mrs. H. Fowler and Mrs. C. Campbell of Chicago.

Prize for bridge was awarded to Mrs. E. P. Hayward and consisted of a beautiful piece of Madeira linen. Mrs. W. E. Halstead was awarded first prize at "500," beautiful linen towels with filet lace, and Mrs. Eustace Young second prize, box of linen handkerchiefs.

At the close of the afternoon delicious refreshments were served.

## First Ball in Series Is Staged by Legion

More than fifty couples were present last night at the social hall of the local post of the American Legion, where the Legionnaires staged their first dance of a series of similar affairs which are planned to be held bi-monthly during the coming season. The hall, which was beautifully and artistically decorated for the occasion, presented an enticing appearance of springtime with its abundantly draped walls of flowers and greenery. The number "127," which is the official number of the post in the national organization, was uniquely arranged in flower designs over the two American flags at the end of the ball room.

The music for the dance was furnished by the Crew-Vaughn Syncopated Four, which is an orchestra composed of a group of Los Angeles ex-service men. Their clever interpretations of the latest "jazz" hits were encored time and again following each dance. The orchestra has signed a contract to perform on a national theatrical circut during the next two months, their initial engagement to take place in Los Angeles next week.

The committee in charge of last night's dance was composed of Chalmer Day, chairman, and Gordon Clayton and Lacy W. Hoge.

## JUNIOR CLASS GOES BACK TO DAYS OF '49 FOR PARTY

### Pioneer Scenes Well Staged As Death Gulch Is Brought Back to Life Again

The motif of "The Days of '49" was carried out in the decorations at the class party given at the high school last night by the members of the junior class. The girls' gymnasium was transformed into a lively public house at Death Gulch. A model bar was established, back of which were posted mirth creating notices and warnings. One of the notices was to the effect that the liquor had been bottled by the Henry-Brown company, showing the high class of beverages which were dispensed during the evening's festivities.

Upon arrival each westerner received a ticket which entitled him to refreshments at the bar which was tended by Allan Pollock and Jimmie Gonzales.

Costumes were most colorful. The girls wore gingham, muslin, calico, taffeta and silk made into dresses of both ancient and modern style. For the first time in a long while cotton stockings were in evidence. The boys wore cowboy outfits and each vied with the others in endeavoring to be the most outlandish. Boots, brogans, patent leathers, and spats covered the masculine ankles. Red flannel shirts were conspicuous and bandana handkerchiefs. Sombreros and slouch hats capped the outfits.

**Ready for Gun Play**

In view of the fact that most of the men rolled their own and carried their family arsenal, warning notices were posted in various places. "Keep your gun hand free," was one appropriate suggestion while general warning was posted: "Gun play not allowed in building."

The sheriff's office was located on the south side of the building. Here a bulletin offering a reward of $1000 for the arrest of Red Pete dead or alive.

To give tone to the establishment, sawdust was sprinkled liberally upon the floor. Tables at one end of the room carried out the tradition and provided accommodations for those who wished to "gamble." The rest of the room was turned over to those who wished to frolic generally.

As though those present were not already overfilled with pep, jazz was provided by Ralph Van Horbeck at the piano, Elden Benge at the cornet and Gil Tressler with the drums.

**Short Program Is Given**

Earlier in the evening a short program was given in the auditorium. Here a quartet consisting of Harold Sprague, Tom Griffiths, Dave Griffiths and Loren Patrick sang something about "My Home Town" being a one-horse town. They also sang "I ain't got no time to have the blues" and "How dry I am."

A "monologue" was given by Miss Grace Yarbrough and Ed. Stockbridge accompanied himself upon the "Hawaiian Harp" while he played "Borneo."

## Boy Scout Gathering Is Held at Burbank

The Boy Scout mass meeting held in the Burbank Grammar school last night resulted in the sale of fifteen shares of stock at $10 each in better boyhood.

"Why the Community Needs Scouting" was the theme of an address by E. B. DeGroot, scout executive of Los Angeles, who made the speech of the evening.

A drill of scout activities was given by a troop of Burbank scouts led by E. B. Thomas. Among other things they sang several camping songs.

Charles H. Kline, chairman of the committee on camping, made a talk reviewing the benefit of scouting to the boys of Burbank.

H. F. Benner of Glendale, scout executive, outlined the organization of the Verdugo Hills District Council and its meaning to Burbank.

Community singing was led by F. S. Moore. Several songs were sung by Mayor Spencer Robinson. A. R. Eastman, vice-president of the Glendale State bank, 109 East Broadway, who is treasurer of the scout council, was present at the mass meeting, also.

## P. E. O. Chapter Meets at C. C. Cooper Home

The members of Chapter BA, P. E. O., met yesterday afternoon at the home of Mrs. C. C. Cooper, 302 North Central avenue. In the absence of the president, Mrs. Madeline Kelley, on account of illness the meeting was in charge of Mrs. A. D. Cross. After a short business meeting refreshments appropriate to the season of Washington's birthday were served.

There were seventeen members and four guests present, Mrs. Dan Campbell, Mrs. E. U. Emery, Mrs. Gus Pulliam and Mrs. Ben Wilde of Bakersfield, who is moving to Stockton and came to say "good-bye" to her friends. Mrs. Dan Campbell gave an interesting talk of her experiences while serving on the jury. Mrs. Kate Parker read an article from the P. E. O. record. A social hour followed.

## Local High School's Casaba Team Winner

Glendale high school's unlimited basketball artists yesterday moved into third place in the Central league percentage columns when they emerged the victor in a closely contested 33 to 29 game with the South Pasadena heavies. The game, which was the hardest fought of the season, was staged on the South Pasadena court before a record crowd of rooters.

The final result was purely a matter of conjecture from start to finish with the home team, if any, appearing as favorites. In fact, Coach Butterfield's warriors were ten points behind with only four minutes to go when "Vic" Colburn, who was easily the individual star of the day, suddenly "went wild" with the leather and shot enough baskets to put his team on top. It seemed as though he had instantly attained a most uncanny accuracy in tossing the elusive casaba through the iron hoop, his last three or four baskets being made from some of the most difficult angles on the court.

Ray Goss, who through interscholastic rulings was unable to represent the school until the beginning of the present semester, was started for the first time this season. He played guard, taking the place that has been left vacant by McIver. Walter McManus replaced Goss during the last half of the contest.

Glendale's lineup included Goertz and Colburn, forwards; Warthman, center; Cline, Goss and McManus, guards.

## Bonus Must Pass at Once, McBryde Wires

Answering a telegraphic inquiry from Congressman Walter F. Lineberger asking the attitude of the American Legion membership in the local posts on the tax sales measure proposed by President Harding for raising the bonus, Commander James F. McBryde today replied:

"Bonus must pass at once. Method as to raising funds up to congress. Sales tax, or any other method satisfactory to the people and ex-service men here. Delay as proposed by Ohio members unsatisfactory."

### MRS. BALDWIN IS HOSTESS

Mrs. Gertrude E. Baldwin of 211 East Acacia avenue entertained the members of the Past Matron's association of 1913, Order of the Eastern Star, of which she is president, with a chicken dinner at noon Thursday at her new home which has just been completed. She was assisted by her daughter, Mrs. G. E. Leaton. The guests included Mrs. H. V. Brown of Glendale and Mesdames J. T. Butler, Olive Asbury, Frost, Fulton, Chandler and Law of Los Angeles. The afternoon was spent in music

## Mrs. David Francy Is Hostess to W. C. T. U.

Mrs. David Francy of 136 North Kenwood street was hostess yesterday afternoon to the members of the Glendale W. C. T. U., which met at her home. At that time the speaker of the afternoon was Miss Emma Mead, corresponding secretary, of South Dakota.

The meeting was in charge of the president, Mrs. Ruby J. Smart. On account of illness several of the officers and others who were to have taken part in the program were absent. Mrs. Lulu Smart Schweizer of Chicago, daughter of Mrs. Smart, favored those present with a piano solo, "The Witches' Dance" (MacDowell) and responded with an encore.

The meeting yesterday was in commemoration of the death of Frances Willard. Miss Mead gave a resume of the life of Frances Willard. She also told of attending the world W. C. T. U. convention in London, to which she was a delegate, and of the great interest being taken in the United States prohibition laws, especially by the British women. Mrs. Wallace of Pasadena also gave a brief talk. At the close of the meeting refreshments were served. There were more than fifty members and guests present.

## Excellent Program Is Arranged for Recital

The quartet from Rigoletto by by Guiseppi Verdi sung by Mr. and Mrs. Harry Girard and Mr. and Mrs. Henri La Bonte will be a feature of the second twilight recital to begin in the Glendale Theatre at 4 o'clock tomorrow afternoon for the benefit of the organ fund of the Holy Family church.

## YOUNG HUSBAND IS KILLED BY FALL OFF P. E. CAR

### George E. Gustafson, West Milford Street, Crushed to Death in Los Angeles

George E. Gustafson, aged 25, a receiving clerk employed by the United Cycle Supply Company of 1043 South Olive street, Los Angeles, was almost instantly killed shortly before 6 o'clock last night as he was boarding a Glendale bound Pacific Electric car for his home here at 625 West Milford street.

Today his little widow bravely faces the world with a six months' old boy, George E., Jr., to support—her husband the victim of one of the most unseemly traffic accidents. He was in a hurry to get home and the rush of work had held him a minute or two late. Making a dash for the car, he swung onto the front steps and the iron gate held him without for the instant in which death stalked.

**Sent Beneath Wheels**

According to Police Detectives Bean and Davidson who investigated the case, the paving contractors working on the Sixth street widening had erected a shelter for the air compressor used in cutting the pavement. It was this, it is said, that knocked the young man from his otherwise secure position and sent him sprawling under the crunching wheels of the three car train.

Almost immediately the cars were stopped and passengers aided pedestrians in removing the victim's body from under the trucks. His transportation book furnished first identification and he was rushed to the receiving hospital where surgeons declared his death was almost instantaneous.

**Picture of Wife and Baby**

A more careful examination of his effects revealed the photograph of his wife and baby, the most treasured of his possessions.

The body was taken to the W. A. Brown Undrtaking establishment. An inquest will be held at 9:30 o'clock Monday morning by the county coroner at 1335 South Flower street, Los Angeles. The family had resided here a year.

## Third Round Rolled by Scratch Bowlers

The third round of play in the local Elks' scratch bowling league took place last night on the club alleys, with the following results of the various matches: The Fortunatos beat the Apffels three straight games, the Wards trimmed the Gilhulys two out of three and the Clarks succeeded in taking the odd contest from the Grenfells.

The third game in the Fortunato-Apffel match was forfeited to the former team after they had won the first two tussles. The Fortunatos' scores for the two games were 496 and 517, while those of their opponents were 446 and 502. It is probable that the forfeited game will be played over at a later date.

High individual honors for the evening were taken by Caswell, who rolled up a score of 214 his first game. His team, the Wards, bowled the two highest games with marks of 555 and 532, respectively. Third honors for team score were grabbed by the Clarks, with a total of 519.

The high men on each of the six squads are as follows: Apffels, Pennock, 197; Fortunatos, Fortunato, 203; Gilhulys, Viohl 184; Wards, Caswell, 214; Clarks, McGillis, 187; Grenfells, Royls, 186. The total team scores for the three games were as follows: Wards, 1535; Gilhulys, 1454; Clarks, 1403; Grenfells, 1360; Fortunatos, 1013 (two games); Apffels, 948 (two games).

## Psenner-Doll Company in New Home Monday

The Psenner-Doll Auto Electric company will be in their spacious new quarters at 601 South Brand boulevard, beginning Monday, February 20, it is announced. They are moving from East Broadway where they have built up an enviable storage battery business.

These electrical engineers have had S. Z. Walters build for them a modern one-story battery plant and a "drive through" service for motorists will be maintained. Delco and Remy starter and ignition work will be done as well as all A. C. windings and other motor repairs.

### LEAVE FOR SEATTLE TRIP

Mr. and Mrs. Carl Davis and daughter Grace of Mt. Holly, New Jersey, left today for Seattle, after having been guests at the home of Dr. and Mrs. C. M. Taylor of 409 Burchett street. Mrs. Davis is a talented singer and entertained with vocal selections at several social affairs which were given in her honor while here.

### GUEST OF MRS. PULLIAM

Mrs. Ben Wilde of Bakersfield is the guest of Mrs. Gus Pulliam of 311 Ivy street. Mr. and Mrs. Wilde were former residents of Glendale and have many friends in this city who will be interested to learn that they are planning to move from Bakersfield to Stockton.

## 'The Unfoldment' Gets Preview at Glendale

After you have previewed a picture—and many Glendale people have that opportunity—and know that it is worth while, there is something that makes you want others to see it. That is Manager W. A. Howe's idea in personally guaranteeing "The Unfoldment" which opens at the Glendale theatre tomorrow. On the same program is Al St. John in "The Happy Pest."

The Sunday evening concert will be featured by the singing of Miss Margaret Melrose, dramatic soprano, while Paul Carson, as usual, will offer several classical organ selections.

Valentine decorations were carried out in pink and white.

## Selected Vaudeville at T. D. & L. Tonight

The best show of vaudeville that has been seen in Glendale in weeks is at the T. D. & L. theatre today, says Manager Allan. There are five standard acts of variety.

Especial mention must be made of the Kelton Review of music, dance and song—an elaborately staged act, special scenery and costume, also Hervey Sheer & Co., the comedian who has delighted thousands everywhere and who played for one solid year on Broadway, Los Angeles. The musical cyclist is a hit and so is "The Song Bird," the pretty songstress of the bill. The Hawaiian number is very pleasing and went over big. This type of act always takes a good place here—everyone enjoying it immensely.

The feature picture "Habit," a Louis B. Mayer production for First National Pictures, is a fine drama of life, exceptionally well produced, lavishly set and costumed—telling a story of love and romance quite unusual. Besides it is literally a great "fashion show."

## J. C. Stillion Will Speak to Bible Class

J. C. Stillion, who formerly was the teacher of the Men's Bible class of the Presbyterian church, and who has been traveling through the east giving Bible readings, has returned, and will speak to the class at the city hall tomorrow morning at 9:30 o'clock.

B. M. Winder of 631 East Maple street will sing a tenor solo some time during the session.

Keith L. Brooks, who is the regular teacher of the class, is recovering from his recent illness and hopes to be with the class by next Sunday.

This class is open to all men who are not attending any other church. It numbers something over 100 now, and plans are ready to make 300 in a very short time.

## Clyde Fitch Play Is Coming to T. D. & L.

The drama that "made" Clyde Fitch and stirred the souls of thousands in America with all its thundering conflict—all its class and dash and "high-life" fashion, will flash on the T. D. & L. theatre screen Sunday with beautiful Betty Compson as the featured player. At the evening performance there will be offered as an added attraction a quartette of saxophone artists.

Perhaps one of the greatest photo-dramas ever produced is Cecil B. DeMille's production "Saturday Night," which comes to the T. D. & L. theatre next Tuesday. Ralph Allan, in preparing for its presentation here, declares he is leaving nothing undone to make its showing one of the never-to-be-forgotten occasions in theatrical attractions offered in Glendale.

## HAMLIN & HEPBURN OPENING SEVENTH UNIT IN TRACT

### Firm Is Also Offering Three-Room Bungalow at $1450 With $250 Down

Hamlin & Hepburn, in announcing the opening of their seventh unit of Fairview—the wonder tract of the northwest where hundreds of residents are moving into little homes—are offering what they say is the biggest bargain today in realty values. That is a three room garage house, with room for a car, including modern facilities, at the ridiculously low price of $1450 on terms with $250 down.

Hamlin & Hepburn have opened offices at 203 West Broadway in the Ralphs building and speaking of the growth of Glendale E. D. Hamlin says:

**Sales Made In 1914**

"In 1914 the Glendale Valley View Tract sold lots at about the price that we are selling them for now in Fairview. These lots as you know are now worth from $1500 to $3000 or $4000. About the same was done in the Glendale Vineyard Tract as was recently related by the man who sold them. In the Valley View Tract they made quite a point in their circulars of there having been three-hundred houses built in Glendale in a year.

"In Fairview we maintain that we are adding population faster than in any subdivision in this section. If all the lots or nearly all of them are built on by the end of 1922, the lots would then have an intrinsic value without question of three times what they were sold for. Probably all of them will not be built on, but it is a certainty that a large portion of them will soon be populated and lot values will be proportionately higher.

"Some subdivisions do not permit temporary homes and consequently acquire population very slowly and consequently the lot values advance slowly. We have always maintained that it was our mission in allowing temporary homes to be built, to enable worthy people to get out of the 'renters class' into the 'property owning class' and to help those people to do this we have made our prices low and our cash payments and monthly payments exceptionally reasonable.

"We believe that with our terms, anybody who sincerely wants a home of their own, can have one by buying a lot in our tract and putting up a temporary home."

## O. W. TARR TELLS OF AUTO SHOW AT BAY CITY

### Manager of Chevrolet Agency Gives Some Facts About San Francisco Trip

A general note of optimism pervaded the San Francisco Automobile Show, according to O. W. Tarr, manager of the Chevrolet agency, 510 East Broadway, who visited the exhibition the first of this week.

"The most pronounced thing about the show was the attitude of the buying public," declared Mr. Tarr. "They seemed to feel that they were getting quality; that the cars on sale were worth the price; and that they were getting their money's worth."

At the New York and Chicago shows, the Chevrolet received the largest number of orders. The number of actual orders resulting from this show has not been checked up yet.

"Five times as many orders were taken this winter at the automobile shows than last year," asserted Mr. Tarr. "This shows that much more positive buying this year.

"The tendency in price seems to be upward. All the manufacturers and dealers seem to think that the bottom has been reached."

Mr. Tarr stated that the position of the Chevrolet Motor company, which is a branch of the General Motors company, preferred to continue to put more quality into a car rather than reduce the price. He said they believe that fluctuating prices have a tendency to keep everything up in the air.

One of the sensations of the show was the new model 490 Chevrolet four-door sedan with Fisher body, according to Mr. Tarr. He found this car "just going into production" at the Oakland Chevrolet factory, which is now working full time, and was promised delivery for local customers in thirty days.

"The Owl" took Mr. Tarr to "Frisco" and a Chevrolet, which he secured at the factory, brought him back. He reports that the coast route is very good. His running time was 16 hours. He spent a night en route at Santa Barbara.

## Local Music Club

(Continued from Page 1.)

son, assistant corresponding secretary; Mrs. Warren Roberts, treasurer; Miss Mildred Pray, recording programs, most of them by paid arnancial secretary; Spencer Robinson, auditor; Mrs. Dora Gibson, Mrs. Frank Arnold and Mrs. Calvin Whiting, directors. Mrs. Roberts reported that during the past year the Glendale Music Club has presented eleven tists, at an expense of $1085. Miss Veda Knapp, president, and Lawrence Knapp, treasurer of the junior auxiliary and the officers of the juvenile auxiliary were then introduced. Mayor Spencer Robinson spoke briefly on the work and success of the club, after which V. M. Hollister, president of the Chamber of Commerce was introduced.

As one of the most important features of every birthday celebration is the birthday cake, much interest was taken in the beautifully decorated cake, which had been made by Mrs. Bert Woodard as a birthday gift to the club. This was baked in the shape of a harp and was decorated with vari-colored morning glories and a large candle. This was wheeled around the room on a tea wagon by Mrs. Colin Cable in order that all might see, after which it was taken to the stage. In lighting the candle Mrs. Jones stated that the lighting of the candle was as a symbol of what the Glendale Music Club is trying to realize in the community, the brightest and the best. She stated that since the organization of this musical club the Chamber of Commerce had given its support and co-operation and she asked Mr. Hollister to extinguish the candle and make a wish. Mr. Hollister conveyed to the club the congratulations of the Chamber of Commerce and assured the further co-operation of that organization. The wish expressed by him was "Health, Happiness and Success."

The cake was then cut by Mrs. Bert Woodard and distributed. A social hour followed, during which punch and wafers were also served.

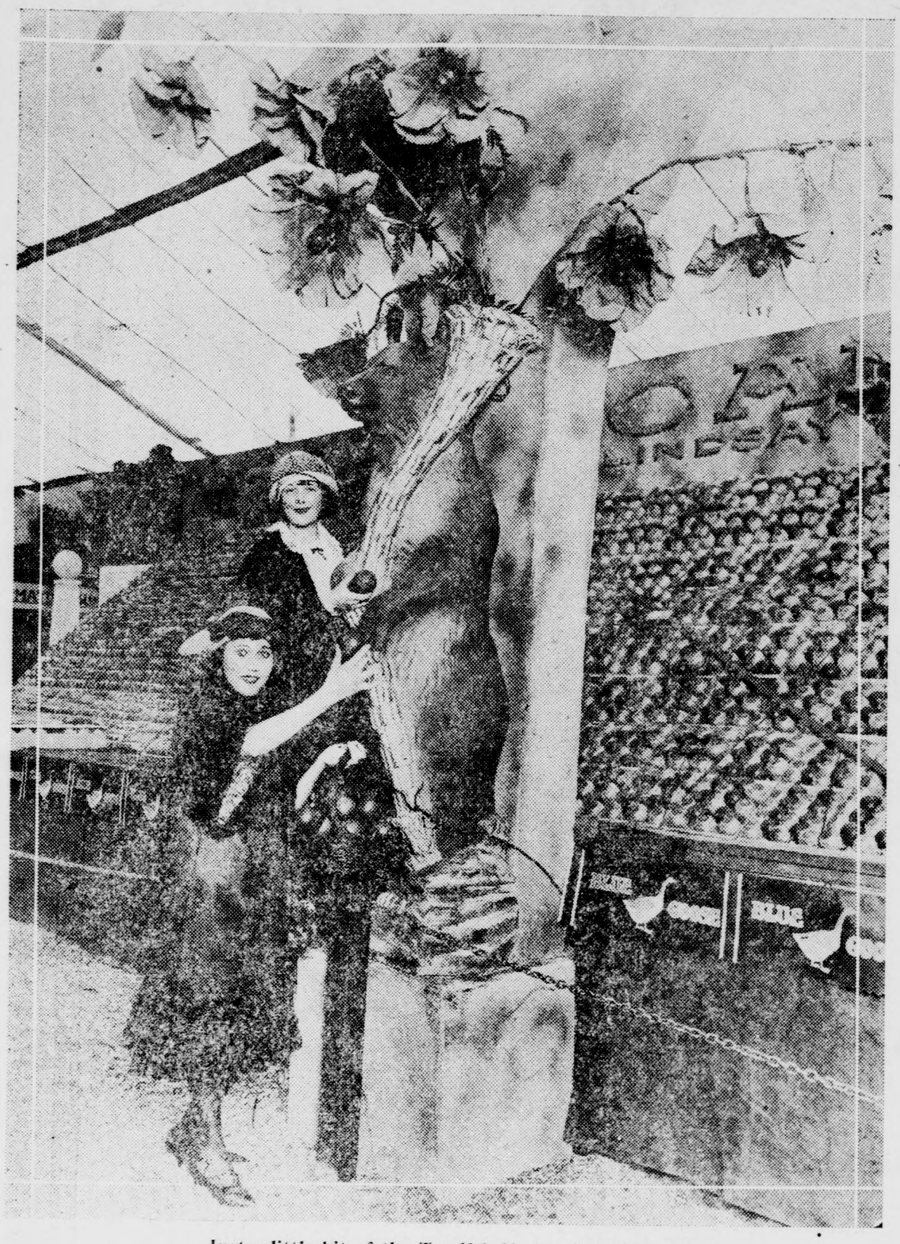
# Twelfth National Orange Show at San Bernardino Is Opened With Impressive Ceremonies; Exposition Is Declared to Be the Best Ever Staged; New Records in Attendance Expected to Be Established



Just a little bit of the Twelfth National Orange Show

"California's Greatest Midwinter Event," the Twelfth National Orange Show opened in San Bernardino last night with 10,000 persons looking on the most wondrous citrus exposition in history. The show is much larger than in former years and far exceeds other attempts in gorgeous display.

Wth an added tent, larger than the ordinary city block, the fruit and feature displays are given a much better showing. Nearly twice as many beautiful feature exhibits are on the floor of the show this year. Officials declare that there are more oranges and lemons in the show than ever before. They estimate that more than 10,000,000 specimens of fruit have been used in the exposition.

The prize contesting fruit is shown on the tables and in the racks.

The citrus experiment station at Riverside is showing the largest collection of citrus fruits ever assembled. More than 250 varieties are contained in the display. The collecting and propagation of the fruit have required years of constant work.

The largest exhibit ever shown at the exposition is that of the Rim of the World Association. A relief map, colored and finished in all details, shows the resorts, streams, roads, lakes and peaks of the San Bernardino mountains. The United States department of forestry contributes some of its work to the exhibit while the state fish and game commission has, in conjunction, a display showing the hatching process used to propagate trout in this state.

The industrial and automobile sections, housed in two other large tents, have been made more attractive and interesting this year. Many of the manufacturers have placed exhibits showing the process of manufacturing various products.

The automobile show is quite extensive and rivals in size and beauty a metropolitan exhibit of cars. The first showing of advance models in southern California is being made by the distributors.

Special days have been set apart for the members of the various civic clubs. The San Bernardino branches will be hosts to their brother members. The Rotary club will be guests on Tuesday, the Progressive Business Men's club will visit on Wednesday while members of the Lions club will take in the show on Thursday.

Governor Stephens will be a special guest of honor next Thursday.

The show will remain open during the day and evening for the next ten days, closing on the night of February 27.

Last year's record of 200,000 persons is expected to be broken.

Studebaker

# Leads in Value!

Buy your car on the basis of **intrinsic value.**

That begins back in the mills in the selection of the raw materials. It continues right on up the line, demanding the highest grade of workmanship in every operation.

But mark this: There can be no real intrinsic value where **manufacturing incompetence exists,** because you foot the bill. Where you buy under that condition you pay for **inadequate production facilities.**

Studebaker heads the industry in ability and resources to build intrinsic value into motor cars—**economically**—and to sell at the lowest prices possible, consistent with the cost of manufacture.

Take, for instance, the Studebaker LIGHT SIX. Costs less to buy than the average Four, yet in tire and fuel economy, flexibility and quality throughout, and in dependable performance in owners' use, it surpasses anything at anywhere near its price.

Careful buying by the public and careful manufacture by Studebaker plus the definite policy of always giving the greatest value for the price, have made the Studebaker LIGHT-SIX the best motor car in the thousand-dollar class.

Studebaker builds on the principle that there is no substitute for quality. That was settled seventy years ago when the business was founded.

Studebaker prices are always the lowest at which it is possible to obtain inherent value and today's price makes the value of the Studebaker LIGHT-SIX stand out more strikingly than ever.

*Giving the public the greatest intrinsic value for the price has made Studebaker the world's largest builder of six-cylinder cars.*

**Westinghouse Man Moves**

Mr. and Mrs. Ray Fallek have moved from 629 West California avenue to 427 North Central avenue. Mr. Fallek is connected with the Westinghouse Battery Service Station, 233 South Brand boulevard.

**A. H. Wishart Pleased**

A. H. Wishart, manager of the Westinghouse Service Station, 233 South Brand boulevard, finds his new office quite useful. He says it comes in handy as a place to keep records of battery tests.

**Plan Big Willard Trade**

"We are getting prepared for a big spring business in batteries this year," stated Henry Kuhn of the E. W. Cizek Auto Electric company, 300 South Brand boulevard, yesterday afternoon. "We expect 250 Willard batteries to arrive in the next ten days. The public seems to be getting wise to the fact that they should buy standard makes of batteries."

**There's Faith In Signs**

A repainted sign designed by "Bill" Viohl and applied by C. R. Baker of the Viohl & Baker Sign Works, 617 South Brand boulevard, re-announces to the motoring public that the establishment at 237 South Brand boulevard known as Tanner & Hall, Ltd., deals in Buicks. Salesman Ray Galvin says it is a good sign.

**Makes Money Staying Home**

The automobile show at San Francisco this week was visited by William Tanner and Ray Galvin of Tanner & Hall, Ltd., 237 South Brand boulevard—almost.

At 11 p. m. last Saturday the trip by Buick, which was to have been started the following morning, was called off by telephone.

"We decided that we could make more money staying at home," declared Mr. Galvin, "than we could by going to the show."

Sure enough, they sold an especially fine touring car as the result of being on the job.

More than 1,500 boys were sentenced to be birched by the juvenile courts in England last year.

## Carry Exclusive Line of Men's Furnishings

"Henry" and "Harry" are now retailing an exclusive line of men's furnishings at 148 South Brand boulevard under the firm name of the H. & H. company.

Instead of combining the initials of their last names Harry J. Syms, 450 Myrtle street, and Henry A. Brown, 353 Hawthorne street, have combined their first initials into the firm name.

Compliments are being received by them already upon the inviting and attractive appearance of their store which has been compactly arranged with modern show cases in the most efficient manner. The merchandise to be carried in stock will be of a most up-to-the-second variety, according to Mr. Syms.

"It is just a matter of getting acquainted," declared Mr. Syms, commenting upon the personal element in retailing. "We expect to do a large business and we are well pleased with everything so far."

Mr. Brown was formerly in the retail business at Boise, Idaho, where for eight years Mr. Syms was senior member of the publishing firm of Syms-York company.

# SAYS FORD OWNERS HAVE CONFIDENCE IN PRODUCTS

## Jesse E. Smith Tells Story on Kansas Farmer to Show Why It Is True

"When it was announced that Henry Ford had taken over the building of the Lincoln," says Jesse E. Smith, Glendale Ford dealer, "I was strongly reminded of the remark of a Kansas farmer, who said, 'I have a Ford touring car, a Fordson tractor, and now a Ford truck. If Henry Ford makes anything else, I want that also.' In saying this, he expressed the confidence of more than 5,500,000 other Ford owners in Ford products. The interest that has already been manifested by our customers in the superfine Lincoln car is striking evidence of the place that Ford products occupy in the hearts of their owners."

**Ford Easy to Control**

"One of the outstanding points of the Ford car and a contributing cause to its deserved popularity is the ease and facility with which the average driver can control it under the most trying conditions," says John C. Caddell, the Eagle Rock Ford dealer. "This is due to a number of features, such as a wheel base which gives a short turning radius, direct acting steering mechanism, gear changing by means of foot pedals and ample and positive brakes. The combination of these features gives the driver of the Ford car unequaled control in traffic as well as in driving over rough and difficult roads, according to our observation.

## Five Vaudeville Acts at Glendale Theatre

Five splendid new acts are on the vaudeville bill at the Glendale Theatre today. Burdell & Burdell, who are billed as "That Comedy Pair in Mixology," will contribute no end of hearty laughter for their offering is new and funny. The Overton Trio describe themselves as "harmony and comedy singers." Their singing has won them much popularity everywhere. Browning & Moore in "Not So Ordinary" also will contribute singing, talking and dancing that is different.

Arnold and Taylor promise a comedy skit that is heralded as a gem of its kind. It is entitled "Put Out." These two artists are real comedians and have left a trail of fun wherever they have appeared. Mad Miller & Co., in an original novelty that might be described as a sensational escape act, and which is entitled "The Crazy Man," will conclude the variety.

Ruth Renick plays opposite Buck Jones in his latest picture, "Bar Nothin'," a Fox production that provides the film feature.

According to a synopsis of the story, Buck Jones, as a hard-riding ranchman, has a hard time "making up" to the blonde heroine, but finally captures her heart, after exposing and punishing the suave villain. Among the thrills furnished by the star is a drop upon a speeding train, followed by a fierce fight in which both hero and villain fall from the train, while crossing a bridge, into the river below.

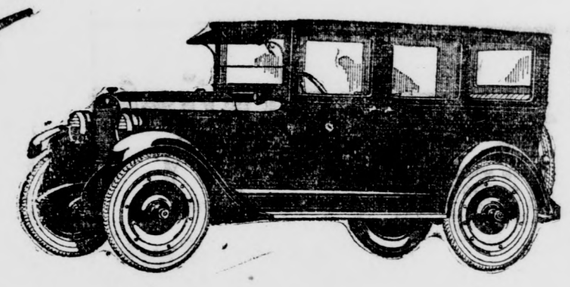
Willys KNIGHT



The Perfectly Balanced "Four" with Greater Flexibility, Ease of Operation Than Most SIX-Cylinder Cars

Tremendous Mileage
*That Is Free From Care*

Wm. S. Lord, 1718 Sierra Bonita Ave., Los Angeles, Calif., writes us as follows:

The Willys-Knight Sedan purchased by me Jan. 5th last is more than my fondest hopes led me to anticipate. Three thousand miles of pure joy is the record to date. More power every day in the motor and the hills fall away beneath the car as quietly and smoothly as they did when I drove an eight-cylinder car. After six years behind the wheel of a Cadillac, I never expected an equal pleasure in driving a four, but I am experiencing it with the Willys-Knight.

Just finished a 323-mile trip to Santa Barbara and beyond and return, on exactly 16 gallons of gas, better than 20 miles to the gallon.

It looks to me as if you and the salesmen working with you had an "easy job."

Motoring that frees your mind from thoughts of mechanism! Unlimited satisfaction! Assurance of covering thousands of miles without a care for adjustments!

The Willys-Knight Sleeve-Valve Motor has no valves to grind—no cams, springs or tappets to get out of order. It runs smoothly, powerfully, uninterruptedly.

# ERNIE OLSON IS NOT ANXIOUS TO BE RACE DRIVER

### Well Satisfied to Ride in Car With Jimmy Murphy in Speed Contest

There is one racing mechanic who has no desire to ever become a speed king.

Ernie Olson, the boy who rides with Jimmy Murphy on the champion Duesenberg, is content with his lot, and prefers to share honors with the international champion rather than go out in competition with the monarchs of the speed profession.

The reasons given by Olson for his feeling against becoming a driver are quite plausible. In the first place it is a long move from the mechanic's seat of a racing car to the wheel, where one has to drive at better than 100 miles per hour to even be on the track. In the second place, a young driver has a long row to hoe when he starts out as his car is usually one of the slower ones and he lacks the experience that puts the speed king in the big money. The third reason is that Murphy pays his mechanic a very good salary and in addition the mechanic receives ten per cent of the winnings of the champion. This makes his income equal to that of many of the drivers who have been piloting their own cars for a long time.

**Means Much for Success**

A good mechanic is highly essential to the success of any driver. On many occasions Olson has proved his worth to Murphy and aided Jimmy to win, where another mechanic with less experience would have booted the ball.

In Murphy's last race he was just ahead of De Palma when a tire went flat. The car started for the top rail. Murphy put all of his 133 pounds against the wheel in an effort to keep away from the top but still he crept toward the rail. Like a flash Olson knew what had happened. He raised his hand and signaled to De Palma. Instead of the Ballot going in between the Duesenberg and the rail, De Palma went down the course and passed Jimmy on the inside.

Another time, in the Thanksgiving Day race on the Los Angeles Speedway, the throttle spring broke and Murphy could not shut off. Immediately Olson pulled out his handkerchief and tore it into strips which he made into a string, and looping the end over the head of the throttle, pulled against the pressure of Murphy's foot, taking the place of the broken spring.

Quick thinking and immediate action make Olson one of the greatest of all race mechanics and, while Murphy has encouraged him to become a driver, he is happy to have him with him as his mechanic and he gives him full credit for his assistance in his many speed battles.

# VARIED TESTS FOR DORT CONDUCTED OVER COUNTRY

### Enthusiastic Reports Made by Committees, Is Statement by E. E. Sawyer

"A certified car" is not a mere phrase as applied to the Dort—it is based upon the results of actual tests by committees in all parts of the country, according to E. E. Sawyer, manager of the Sunset Motor Co., Paige and Dort dealers, at 308 East Colorado boulevard.

These committees consisted of leading citizens, professional men, manufacturers, merchants and others and in every case were disinterested people, neither employes nor Dort owners, he adds. From these unprejudiced sources comes the most complete and enthusiastic reports about the performances of the Finer Dort under almost every possible condition.

**Topic of Conversation**

"Never was there a greater motor car value offered to the public at the new prices," Mr. Sawyer tells his customers. "When these prices were announced at the Chicago auto show they became the topic of conversation, both at the Coliseum and in the hotel lobbies where hundreds of visitors to the big show were staying. This is certainly 'fair weather indications' in Dortland for beauty, efficiency, economy and completeness are to be found at prices that cause people to ask 'How can Dort do it?' "

## Dedicates Late Music Hit to Glendale Girl

Written by a local composer, dedicated to a local girl, and featured at a local music store is the record of the latest sheet music hit, "My Dream of You."

This has just been put on sale by the Loomis-Shuck Music company, 211 North Brand boulevard and Mr. Shuck is confident that it will be one of the season's most popular successes.

The music was composed by Jack Regan of Pasadena, who is well known in Glendale. Lyrics were written by Will Shields. To both of them the copyright has been issued.

Miss Helen DeLaine, daughter of Mrs. W. P. MacMullen of 215 North Brand boulevard, has the honor of having this piece of music dedicated to her. She is now in Truckee being "filmed" with Ruth Roland and was one of the first to sing this song before an audience.

Dr. and Mrs. B. T. Galloway of Washington, D. C., who have been spending the winter in Glendale at the home of Levi Chubbuck on Valley View road are planning to return to the national capital via the Panama Canal, leaving Los Angeles harbor on Monday.

Dr. Galloway for many years was chief of the Bureau of Plant Industry, from which position he was appointed assistant secretary of Agriculture. Later he was dean of Agriculture at Cornell University.

Mrs. Chubbuck entertained recently with a tea for Mrs. Galloway. The guests included Mesdames R. L. Phister, George Emery, D. F. Reichard and Madame Phister.

## E. J. Jackson Is Now Burbank Bank Officer

E. J. Jackson, who was formerly engaged in the automobile business here, but now the owner of the Burbank Hardware Co., also is vice-president of the Burbank State bank which opened its doors on St. Valentine's day. The new structure is handsomely equipped with mahogany furniture and is an attractive asset to the business life of that community.

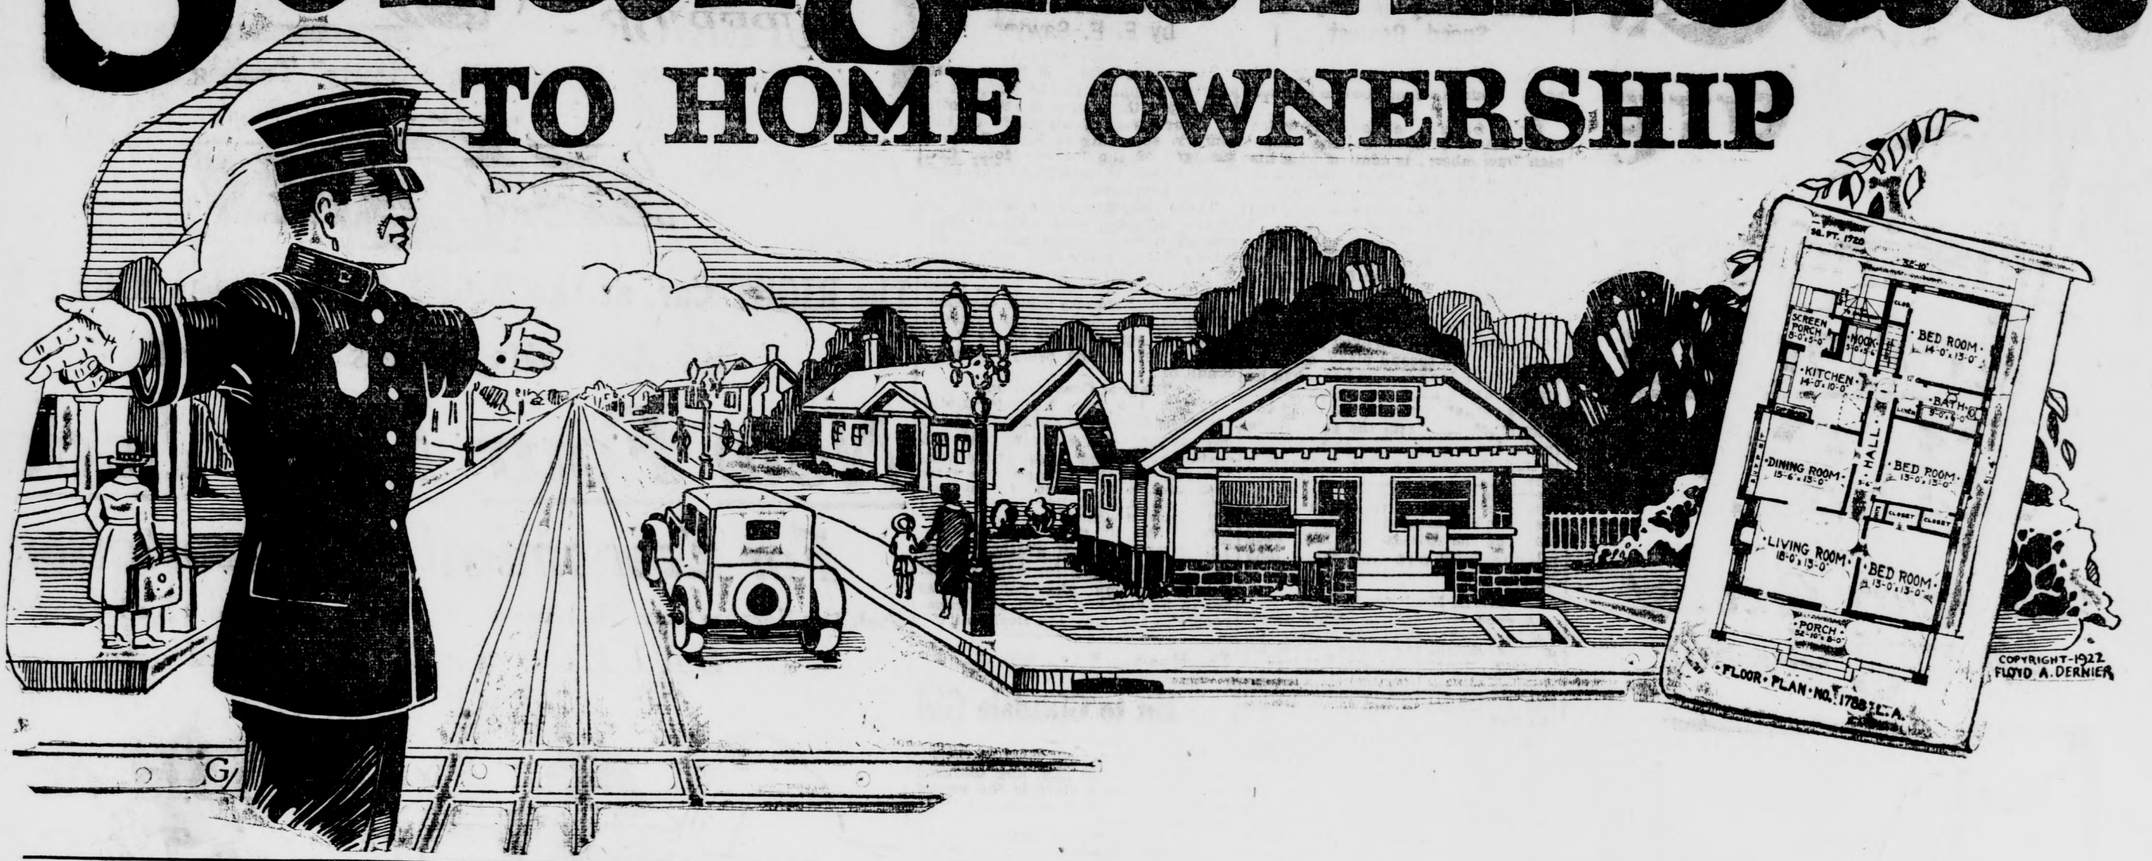
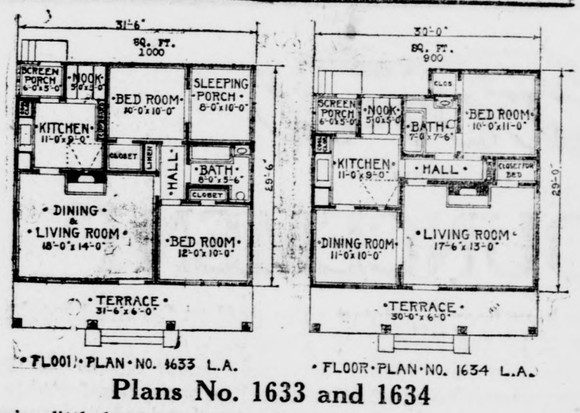
## TO HOME OWNERSHIP



**When the whole world is talking and thinking building and so many people are homeless with rents exceeding the amount of money exacted to meet payments on a home is the time you should arrange to build and start enjoying contentment and protection in a home of your own.**



**Plans No. 1633 and 1634**

**This charming little home plan is worthy all the consideration you may care to give it. The exterior is most attractive, the terrace porch with its pergola beams and colonial posts, cement steps and floor adds attractiveness and with the walls painted white and roof moss green with added color in the shrubbery and roses, you have a most practical and pleasing combination. The alternate floor plans—study them carefully—for here is where you will appreciate the careful attention that has been given that maximum of room and conveniences may be had at minimum cost. Information regarding plans, etc., for these homes may be secured by writing the home building editor.**

NOW that the road to home ownership is open and you are in a receptive mood to consider seriously the advantages to be gained by yourself and every member of your family through home ownership, is the time to select plans and build.

---

**It isn't necessary that you have all the money ready to pay cash for homes**—a small payment down and balance in monthly installments is the plan under which the majority of present day home owners acquired homes. Your monthly payments will not exceed the amount of money you are now paying out for rent, so there is no good reason why you should not begin applying rent money towards buying a home of your own.

---

**Determination is the world's greatest stimulus for home ownership** and when this is applied in connection with thoughts of the future and desires for those most near and dear to you, together with the fact that choice home sites are rapidly being purchased by home makers on which to build permanent homes it makes additional reasons why you should accept this recommendation and start up the road that leads straight ahead to home ownership, pride, self respect, contentment, and be relieved from future burdens of paying rent.

---

**You may have to make sacrifices** to acquire a home; but the making of one sacrifice to attain your goal will inspire you to make another, each forming a stepping stone to independence, and once let a man become fired with progressive ambitions, nothing can stop his progress.

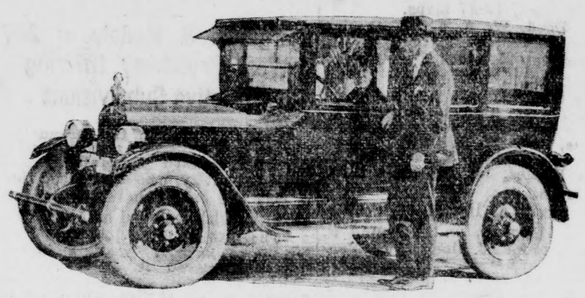
## Mrs. J. W. West of Glendale, in New Maxwell Sedan, Returns From Mexico, Where She Has Exciting Experiences With Bad Highways



Mrs. J. W. West of 1333 Valley View Road, Glendale, telling R. F. MacClean of the Glendale Motor Car Co., about her trip to Mexico in her Maxwell Sedan.

Mrs. J. W. West of 1333 Valley View Road, Glendale, started for Mexico in her new Maxwell sedan just before the recent heavy rains and had some thrills and excitement that are experienced by few motorists in southern California. The rains in northern Mexico have been unusually heavy this year and the roads which are always bad down there were turned into swamps and mires and many places the roads were at the bottom of little lakes formed by the accumulation of water. To follow these roads was mere guess work and many times the mud and water came up to the floor of the car, but the Maxwell never hesitated.

One particularly bad grade near Tia Juana proved to be the "Waterloo" of a number of cars that were mired in the mud up to the running boards, but the Maxwell pulled out around them and went on up the grade and came on home to Glendale through the hardest rains of the season. Said Mrs. West:

"We were comfortably housed in our Maxwell sedan away from the weather. The comfort, easy riding and wonderful power of the car have been thoroughly proven to me and my friends who accompanied me on the trip."

## AUTO CLUB NEWS

Motorists of this section are getting so careless in speeding through various towns that a general request for greater care has been issued through the Automobile Club of Southern California.

A general tightening up of speed regulations throughout the state is threatened by municipal authorities unless autoists exercise greater care when touring, according to club officials.

Certain leniency is practiced by the majority of smaller municipalities in allowing a greater speed to motorists than that provided by the state motor vehicle act, which regulates all questions of speed, but this leniency is to be revoked unless the motorists themselves learn to mind their step.

Particular complaints of speeding and reckless driving by visiting motorists, or motorists passing through have been registered by communities in practically every southern county. Auto club officials request all motorists to check over the list of towns making these complaints, and to abide by the laws of carefulness when touring from county to county.

Here are the municipalities which state that undue speed is exercised by motorists, and which also say that much against their will they will be compelled to adhere strictly to the law with no leniency at all unless steps are taken by autoists to curb their recklessness: San Dimas, Pomona, Laverne, Uplands, Ontario, Rialto, Oceanside, Lamesa, Delano, Porterville and Lindsay have been given the greatest cause for complaint.

Auto club officers declare that such complaints are justified and call upon auto owners to respect the law at all times—and to appreciate the generous spirit of the towns through which they pass.

**California Nears Top**

When all is said and done—and the final returns are in—it looks as though California is going to come pretty near leading America in the number of autos owned.

Officials of the Automobile Club of Southern California who have been assisting motorists to secure their license plates are of the opinion that this state has moved up at least one notch and possibly two in the automotive activity of America.

At the end of 1921 California was fourth in the list, headed by New York, Ohio and Pennsylvania, in the order named. It is possible that California may now be third or even second, says the Auto Club.

More than 700,000 license plates have already been issued by the motor vehicle department, and at the end of last year the nearest competing state boasted only 744,000 automobiles. It is considered possible by local authorities that the total registration, before closing in March, may reach more than 750,000 cars!

**Most Active State**

Whatever the final registration does show, the fact remains that California is the most active motoring state in the union. This is vouched for by the touring bureau experts of the auto club, who visit annually every other sction of the United States.

And, in addition, this particular part of California, meaning the southern section, is more actively in the public eye of the motoring world than any other bit of America. Testimony of eastern visitors pouring in here at this time indicates this fact.

Taking it by and large, everything considered, reports of motoring depression have a roseate hue when they reach the far west and sink to rest in the setting sun of the Pacific, points out the auto club.

## Have You Two Left Feet? Bargain Chance

A Cinderella with two left feet is now being sought by W. C. Winkler, proprietor of the Buster Brown Shoe store, 122 North Brand boulevard. He remarked yesterday that he has two odd patent leather shoes left over from the Christmas rush. The only way he can figure the matter out is that two of his customers got excited while being fitted and walked out with one old and one new shoe on. He says he will sell them very reasonably.

## DO YOU BELIEVE THIS?

DETROIT—"America doesn't need prohibition. In a country that has a climate as stimulating as that of the United States strong drink is never needed to keep up flagging spirits, and the dry law is unnecessary," declared Prof. Robert M. Wenley, of the University of Michigan.

## SEVENTH UNIT AT
# FAIRVIEW
## Large Lots as Low as $385
**Up to $855—None higher**

A cash down payment as low as $25, and monthly payments from $10 to $15 per month will secure your lot in this beautiful tract.

We have already placed on the market and sold six units or nearly 400 lots, one after another, just as fast as we could get them ready, and this unit is the choicest property we have yet offered.

Fairview is located on a beautiful slope in the famous Northwest section of Glendale, one block from the P. E. car line and about one-half mile from the magnificent estate of L. C. Brand.

For desirability Fairview lots must not be confused with any other subdivision. They are not low, or damp; they have good drainage, rich, sandy loam soil, close to the new Grand View School, stores, churches, etc., and yet priced so low they will astonish you for this class of property.

No district or values like this in all Glendale. Come out and see for yourself.

Don't waste your money paying rent, buy a lot, put up a temporary home 50 ft. back from the street, and live in it at once.

A great development is taking place at Fairview, over sixty homes have been built by our purchasers and lots in the first unit are already selling for $200 more than they cost a few months ago.

Neighboring lots are being sold at from $825 to $1450, but we do not believe in asking the highest price for this beautiful property; we want our purchasers to make money and it is a source of great satisfaction to us that resales in our earlier units are showing handsome profits in so short a time.

There are only 56 lots in this seventh unit and people who know the exceptional values we offer are waiting for this announcement. Don't delay. Come out today or come out Sunday if you can't before.

Drive out West Broadway and San Fernando Road to Vine Avenue; then one block up to tract headquarters at Vine Avenue and Fourth Street. Our cars will leave 203 West Broadway at 10 o'clock Sunday morning, and 2 o'clock p. m.

## Fifty-fourth Birthday of Elks Is Observed

Members of the Glendale Lodge of Elks are interested in the fact that the dawn of February 16, 1922, marks an anniversary of keen interest to nearly 1,000,000 American men.

Fifty-four years ago—on February 16, 1868—a little group of fourteen men sat in a stuffy room in New York City. Twice they voted on a matter they had been debating for weeks. On the second ballot, the now almost forgotten fraternal order of the "Jolly Corks" was disbanded. And the Benevolent and Protective Order of Elks was born.

The first membership report in the archives of the Elks is dated December 27, 1868. New York Lodge No. 1, the Mother Lodge of the Order, was then its only lodge. There were seventy-six members on the rolls.

The fifty-fourth anniversary of the order's birth shows a membership of more than 818,000 Elks in more than 1,400 lodges that dot the United States of America. At Anchorage, Alaska, the farthest north Elk lodge stands amid almost polar ice and snow. Elk lodges rise at Brownsville, Tex., and Key West, Fla.—farthest southern points of the continental United States. Our Canal Zone has its lodge at Balboa Heights. Our island possessions are starred with Elk lodges at Manila in the Philippines, at Honolulu and Hilo in Hawaii, at Guam, and at San Juan in Porto Rico. And the Elks of America are working to initiate their millionth member by July, 1922, when the Grand Lodge meets at Atlantic City.

In 1922, Elkdom, with gifts to charity already totaling more than $20,000,000, stepped out of the role of the purely fraternal organization into the rank of one of America's greatest humanitarian brotherhoods.

William W. Mountain, of Toledo, O., Grand Exalted Ruler of the Order, announced his policy:

"Make every Elk lodge the civic and humanitarian center of the community in which it makes its home."

# RELAY CARNIVAL AT REDLANDS TO BE GREAT EVENT

## Close to 300 Athletes to Take Part; Howard Ehmke Sold By Detroit, Report

More interest is being stimulated this year in the annual A. A. U. relay carnival which is to be staged this afternoon on the Redlands University athletic field, than in any similar track or field event that has been conducted in the Southland for several seasons, according to claims made by Los Angeles representatives of the Union. It is estimated that between 250 and 300 athletes will take part in the afternoon's program, which will include races in three separate classes.

With the announcement made several days ago by Coach Dean Cromwell of the University of Southern California to the effect that the redoubtable Charlie Paddock will be a member of the Trojan running squad many local track followers are looking forward to the establishing of at least one new record. Such a feat, however, is hardly likely, due to the fact that Paddock has been out of training for several months prior to last week.

Whether or not Charlie Paddock runs or regardless of the fact that U. S. C. is liable to hang up a record mark it is the general consensus of opinion that the experts are looking forward to a battle royal for first honors between the Methodists and Coach Joe "Timber Wolf" Pipal's Occidental Tigers.

### Gets Good Infield

With the signing of Charlie Deal, star third sacker of the Chicago Cubs, to officiate at the difficult corner for the Seraphs during the coming 1922 season Manager Wade Killefer of the Los Angeles club has rounded out what is likely to prove the most valuable and best rounded out infield of any in the Pacific Coast league. No minor league team leader would feel uneasy with Art Griggs on first, Bill McCabe at the keystone sack, "Flea" McAuley at short and Deal stopping the hot ones at third. The work of this quartet alone should keep the Angels well up in the race from the start of the season.

### Ehmke May Be Sold

Howard Ehmke, former Glendale high school student and member of the local baseball team, is expecting to receive news within the next week telling him that he has been sold by the Detroit club to another American league squad. It is understood that both Cleveland and New York are dickering for the former "boy wonder."

Ehmke, who is wintering in Los Angeles, has been with the Tigers for the past four or five years, and it is the opinion of a number of baseball men that a change of location and management would be of great benefit to the lanky hurler.

# HALF ACRE LOTS IN GLENDALE VILLA BEING OFFERED

## Kjergaard & Mullaly of 207 West Broadway Offering Attractive Subdivisions

Glendale Villa in the Grandview district was placed on the market today by Kjergaard & Mullaly, 207 West Broadway, who announced that it was the only subdivision in this vicinity which included half acre lots.

"The size of these lots enables a family to have a real suburban home," declared R. J. Kjergaard. "There is plenty of room for an orchard, a nice garden, and a pen of chickens.

"Glendale Villa lies between Tenth street boulevard and the New Mountain drive boulevard. The tract consists of only thirty-seven lots. It has no glens, no arroyos, no hills and not a foot of waste land. The soil is excellent. Every home site has a commanding view of the San Fernando valley.

"Temporary dwellings will be allowed on this subdivision for only six months. The property is protected from undesirable purchasers by suitable restrictions."

"Glendale Villa," says Carter Mullaly, "has every city convenience including deliveries. Its central idea is a location for homes for people of moderate means."

## OPPOSES BONUS SCHEME

WASHINGTON, Feb. 18. — Describing the president's tax plan for payment of a soldiers' bonus as a "rich man's scheme" Senator Caraway, Democrat, of Arkansas, declares it would only make the soldier pay his own bonus.

## Glen Inn Dance for Tonight Is Called Off

No dance will be held by the Glen Inn tonight.
Regrets were expressed this morning by F. V. Edmonds, manager of the Glen Inn, 152 South Brand boulevard, that the dance which was advertised for tonight must be postponed on account of the Chamber of Commerce's desire to use the hall for other purposes.

Mrs. W. W. McElroy of 510 South Adams street and friend, Miss Stolze of Hollywood, attended the luncheon given at the Ambassador Tuesday for the former residents of Montana and tourists from that state who are visiting in California.

# BRISK DEMAND FOR GLENDALE MANOR LOTS REPORTED

## Much Activity Is Being Shown At Tract; First Unit to Be Closed Very Soon

A continuous progression of building and industrial activity is keeping things humming in the Los Angeles-Glendale district. The splendid new Gateway market, at the intersection of Glendale and San Fernando boulevards, is affording conveniences for the housewife, through its facilities for near-to-home shopping and marketing. New store buildings, in the process of erection, are a common sight at numerous points along Glendale boulevard, from the Los Angeles river bridge, all the way into Glendale.

The Power Implement and Machine Works, of Modesto, California, has purchased a large factory site, at San Fernando boulevard and Glendale avenue, and will move to Glendale at once. The first unit of construction will be a brick and concrete building, to be erected at a cost of $25,000. The Coast Lumber company has just completed the erection of its offices and other buildings, on the recently purchased ten acre tract, at San Fernando boulevard and Manor street.

The manufacture of concrete lumber, one of the newest and greatest innovations in building materials, is now being carried on by the Concrete Lumber company. The factory takes up four acres of ground on San Fernando boulevard, and , at the present time, is putting out 20,000 feet of concrete lumber per day. New activities are continually being planned, by the Southern Pacific railroad for additional yards and round-houses, on its property, to the south of this section.

This entire territory is served by transportation facilities, of every kind and nature.

### Demand for Vacant Lots

Vacant lots are being rapidly encroached upon, from all sides, in the Los Angeles-Glendale district, by an unstemable tide of new permanent residential building.

Dickinson & Gillespie, Minneapolis subdividers, who are opening up their Glendale Manor tract, offer substantial proof of the great demand which exists for building lots in this vicinity today. During the past two weeks, while preparing their tract for the market, over 150 of the 306 lots were sold by pre-sale reservations.

At a salesmen's banquet, held last Wednesday night, by the Dickinson & Gillespie sales force, F. B. Burns, sales manager, stated that Glendale Manor already asserted itself as being one of the most remarkable and successful tracts ever put on the market by this company during its twenty years of subdivision history. Over $100,000 worth of Glendale Manor lots have been sold by private appointments with the people of this vicinity and their friends before a single public announcement of the sale was made.

"We have every assurance that Sunday night will witness the closing out of our entire first unit," stated Mr. Burns. "No greater recommendation could be asked for our property than the whole-hearted endorsement, which the neighbors and people of Glendale have given this tract."

### Big Publicity Campaign

A continuous and extensive publicity campaign is to be carried on until every lot is sold. In addition to the usual advertising mediums, 130,000 four-page circulars are to be distributed throughout the city of Los Angeles and adjoining municipalities. Incidentally, this is the largest number of circulars that has ever been put out at one time in this city by any one organization, it is declared.

Arrangements have been made to have motion pictures taken of the sale crowds on Sunday afternoon and the complete progress of the sale will be recorded.

# WILLYS-KNIGHT IS CAR OF FUTURE, SAYS DEALER

## George T. Smith Tells About Type of Motor That Is Satisfying Owners

"The Scientific American in 1916 declared that curves made as the result of scientifically conducted tests have demonstrated conclusively that the Willys-Knight type of a motor gives more power for a given piston displacement than any other form," declared George T. Smith, 228 South Brand boulevard.

"As there have been no new designs of motors developed since the year 1911, this statement still holds good today,' 'he continued.

"There is undoubtedly a big future ahead for this car. For several years they were held back on account of the high price of their product and due to their heavy car. With their reduction in weight, putting the car into the middle weight class and their big reduction in price, they are now competing favorably with any six cylinder car around 3000 pounds on the market wth the added benefit of much economical operation.

### Owners Retain Cars

"Once a Willys-Knight owner, always a Willys-Knight owner is being proven more and more every day. The scarcity of these cars on the used market today is easily traceable to the fact that owners are not prone to give up their cars even after enormous mileage, due to the fact that their motors improve with usage instead of deteriorate.

"The horse power is increased and the noise eliminated in this motor on account of its operation without valves. The improvement with use is due to utilization of carbon developed instead of having to get rid of it as in other types of motors. The motor is not only quiet and flexible but remains that way indefinitely."

## Complete Plans for Three Entertainments

The finance committee of the rest room established by the Business and Professional Women's club, of which Miss Ethel Preston is chairman, have secured the artists and have set the dates for the series of three entertainments to be given for the purpose of assisting in the financing of these rest rooms for the business women of Glendale until it is well established.

The first entertainment has been set for March 10, at which time a lecture will be given by Christabel Pankhurst of suffragette fame. Miss founder of the Women's Social and Political Union of London, England.

The Cadman trio, which includes Miss Alma Geiger of Glendale, pianist, Mrs. William R. Garrett, dramatic reader, and Constance Balfour, vocalist, will present the melodrama of "Hiawatha," selections from the poem by Longfellow, with musical settings for the poem by Saidee Knowland Coe and interspersed with Indian tribal melodies as harmonized by Charles Wakefield Cadman. This will be presented on March 24.

The third and last entertainment of the series will be given April 7 by Harry Girard of Glendale, assisted by Agnes Cain-Brown, Henri Le Bonte and Madame Le Bonte. They will render the "Trend of Time," a story of the twelve months of the year set to music by Mr. Girard himself. Mrs. Margaret Biggs, president of the club, is very well pleased with the interest which is being shown following the announcement of this series of entertainments.

### Much Work To Be Done

"Heaven is a long way off," asserted Rev. Crist. "While we are waiting, let us remember that there is a tremendous amount of work to be done."

Rev. C. R. Norton also spoke.

"I used to think it would be one of the saddest experiences in human life to reach a period when I should be upon the shelf," said he. "Well, I am not on the shelf and I don't ever expect to be."

A comparison between oil wells and boys was made in a short talk by Rex Kelly, local secretary for the by Rex Kelley, local secretary for the marked that when a person first got the oil well "fever" it was necessary to nourish it along with money, time and worry, and that boys were the same way—they have to be coached along with money, time and worry.

W. F. Tower acted as toastmaster.
